

# STATE ADDITIONAL UNEMPLOYMENT BENEFITS DISTRIBUTION

The Federal [CARES Act](#) created the following unemployment benefits:

- **Pandemic Unemployment Assistance (PUA)** provides 39 weeks of federally-funded unemployment benefits for self-employed workers, independent contractors, gig workers, those seeking part-time employment, or who otherwise would not qualify for UI benefits under state or federal law. Payments under PUA are retroactive, for weeks of unemployment, partial employment, or inability to work due to COVID-19 reasons starting on or after 01/27. The Department of Labor issued [guidance](#) on the program on 04/05.
- **Federal Pandemic Unemployment Compensation (FPUC)** provides an extra \$600/week made retroactively to claims filed for the week of 03/29 – 04/01 and will continue until 07/31. Individuals eligible for PUA are also eligible for this program
- **Pandemic Emergency Unemployment Compensation (PEUC)** provides those who have exhausted benefits under regular unemployment compensation or other programs to receive up to 13 weeks of additional benefits
