CALL FOR PROPOSALS
If you are a subject matter expert, AFSA encourages you to submit a proposal to present. Premier Partner members will have priority on the webinar schedule.

We are looking for presenters who can:
• Present topics that are unique, engaging, and relevant to AFSA member companies
• Share research, white papers, or studies, the results of which directly affect how AFSA member companies do business

AFSA will review the proposal and consult with the appropriate subject matter expert at AFSA to determine if the selected subject is timely and of interest to AFSA members. If it is not, every effort will be made to refocus the topic.
